

# KEY STEPS to READING SUCCESS

## WEEK 1

This week's focus: Letters and Sight Words  
This week's book: Kindergarten ABC

THIS WEEK THE FOCUS IS ON LETTERS AND SIGHT WORDS

# BOOK: KINDERGARTEN ABC

By Jacqueline Rogers

## ACTIVITIES

Try to read the book to your child and do the activities at least 3 times this week!

Reading skills are like muscles: they get stronger the more you use them!

### Level UP

#### Early Reading Skills Game

You can use the Level UP game to play matching, memory, or *go fish* to teach letters, letter sounds, or rhyming.

**Focus on letters** this week.

Begin with matching, and then move on to memory and *go fish*. You will find directions in the deck.

Keep this game so you and your child can get the most learning and fun out of it during the program. The more you play, the more you learn!

## WELCOME!

We are excited that you and your child will be a part of the Key Steps to Reading Success program!

Each week, you will receive a newsletter like this in your packet explaining how to do the activities that go along with the book or books you receive.

If you have any questions, please feel free to call your child's school for more information!

HAVE FUN and HAPPY READING!

## WORD HUNT

Fold the sight words on the perforated line.

Carefully tear apart the word strips.

As you read this week's book to your child, tell your child when you see one of the sight words on any page.

Ask your child to take the magnifying glass and hunt for the word on that page. Praise your child for finding the words!

When you finish hunting for words, **keep the word strips where you won't lose them.** We will use them to play a new game in a few weeks!
